

Cycle Mount Annan

William Howe Regional Park

- Get off the beaten track and ride your way through **William Howe Regional Park**, and soak up some of the best views in the area from Turkey's Nest Dam lookout.
- Gundungarra Reserve** provides an expanse of open space with a number of dog friendly walking tracks (leash required).

CYCLE SAFELY

Routes detailed in this guide include sections of on and off road cycleway. On road cycleways should only be attempted by experienced riders who are familiar with the road rules in NSW.

Many of the trails listed in this guide are frequently used by pedestrians, please ensure that you share walkways safely.

Ensure your bicycle is equipped with a bell or other warning device, front and rear reflectors and operational brakes.

Remember to sound your bell or call out if you're approaching pedestrians.

Obey signs and road rules and always wear a helmet when cycling.

Explore **The Australian Botanic Garden, Mount Annan**, and experience a wide array of native vegetation, wildlife and birdlife. Well equipped with picnic shelters and public amenities, the garden is the perfect place for a picnic. The onsite Mountain Bike Trail is popular with cyclists of all skill levels, with trails suitable for competent, through to advanced riders.

Entry to the garden and mountain bike trail is free of charge. For more information visit www.australianbotanicgarden.com.au or call (02) 4634 7900.

Nepean River Cycleway, Camden

Camden Town Centre is the perfect blend of urban convenience and rural charm. Cycle your way down the village style main street and stop at one of the many gourmet cafés for lunch. Look out for *Camden Town Farm* and the *Bicentennial Equestrian Park* as you cycle past a rich tapestry of heritage buildings.

Escape down the **Nepean River Cycleway** and get back to nature. Cycle through the *Wetlands Reserve*, a popular spot for birdwatching and explore *Kings Bush Bushland Reserve* which runs adjacent to the cycleway.

Harrington Park Recreational Area

Bring the whole family and enjoy a ride or walk around the shared path at **Harrington Park Recreational Area**. The picturesque *Harrington Lake* is a popular spot, well serviced with picnic tables, playgrounds and public amenities. Home to a wide variety of native birdlife, *Harrington Park* is a great place to get active with friends and family.

Catch glimpses of **Harrington Forest** as you cycle through *Harrington Park*. The forest is a valuable example of the rare *Cumberland Plain Woodland*. Highly valued, the forest provides a safe environment for birds, possums, wallabies and other wildlife to flourish.
